TOUR DURATION: APPROXIMATELY 3.5 HOURS

Consult your Shore Excursion Manager for Information & Reservations

▶ At Saxman Village, you will walk among the silent giants - the world's greatest gathering of totem poles - and visit with native carvers at work.

Our Jet-boats are fast and comfortable with heated cabins, tour-use binoculars and restrooms.

▶ Tour historic Libby Cannery and relive the days when rugged men and women toiled day and night to harvest and process wild Alaska salmon.

Your narrated motorcoach tour includes a photo stop at Saxman Native Village.

▶ Explore the coastline of glacier-carved George Inlet, and watch for wildlife, while cruising in comfort aboard a waterjet-powered vessel.

Seals, bald eagles, porpoise & other wildlife are often sighted on your cruise, along with truly spectacular scenery.

▶ Our enthusiastic interpreter-guides love sharing their wealth of knowledge about the human & natural history of the Tongass National Forest.
