## EVENING WHALE QUEST

Experience the Best!

TOUR DURATION: APPROXIMATELY 3.5 HOURS

Consult your Shore Excursion Manager for Information & Reservations

What a perfect end to a Alaskan summer's day — standing at the rail, glass in hand, watching as a humpback whale rolls into a deep, glorious dive. This is the moment you'll remember forever.

Aboard the Evening Whale Quest, we'll have the ocean virtually to ourselves as we cruise Stephen's Passage, the pristine summer home of the whale.

Enjoy a delicious selection of complimentary appetizers, beverages and desserts.

A no-host bar serves wine, soda and beer.

Our smooth-sailing spacious catamaran features a comfortable cabin with wrap-around

windows and large wildlife viewing decks. Seating is plentiful and the vessel has three standard restrooms.

The onboard naturalist will describe fascinating details about the whales and their ocean environment.

Convenient tour-use binoculars and souvenir route guides are provided.

Be sure to bring a warm jacket for viewing whale from the top-side deck.

Join us for a truly  
memorable evening!
