A Site To Remember

YUKON SUSPENSION
BRIDGE

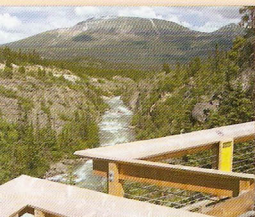

Experience the Journey

Located over the white-water rapids of the spectacular Tutshi River. (TOO-shy), one of the most outstanding whitewater experiences in North America. Watch the rafters below the Bridge maneuver this Rollercoaster canyon of excitement.

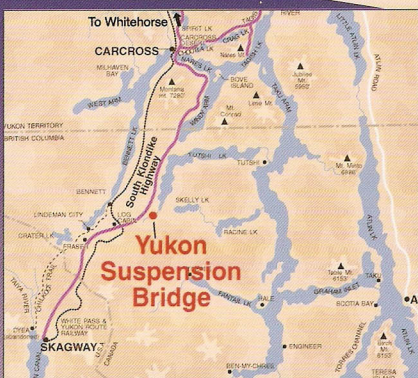

Experience the dramatic journey across the bridge, a swaying walkway high above the rapids below. Learn about the natural environment and human history of the White Pass, while enjoying our museum quality outdoor interpretive exhibits.

Visit our Assayer's Café for our organic coffee and snacks. Stroll along our decks while experiencing this country with all your senses. Breathe the pristine air, hear the roar of raging water, and take in our breathtaking views.

Discover our Tutshi Gift Shop for authentic First Nation and Yukon Art, Unique Canadian souvenirs, gifts and clothing, all carefully chosen for their quality – allowing you to bring back a lasting memory of your experience with us.
